“

I can't imagine ever going back to a 9-to-5 job where someone else was in charge. The flexibility and freedom that Thirty-One offers is absolutely incredible. It gives me the chance to keep the important parts of my life at the center and fit in my work around them, instead of the other way around."

**JULIE GOODMAN**  
Executive Director | CA

“

With Thirty-One, I LOVE Mondays! I wake up each day wondering whose life I can help change. I've never loved another job like I love Thirty-One. It's not just about the products – it's the message, the mission and the change that Thirty-One is making in the world!"

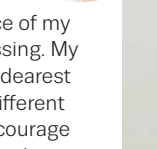

**LORNA PASINATO** 🍁  
Senior Director | ON

“

This sisterhood is the piece of my life I didn't know I was missing. My business has brought my dearest friends into my life from different cities and states. They encourage me to push myself and be a better me. In return I can be the listening ear, the hug or the voice of encouragement for someone else."

**BOBBI TRISKO**  
Executive Director | MN

“

Thirty-One has allowed me to give back to my community, schools and organizations throughout my state with fundraisers and other donations. It has been such a blessing to work together with so many individuals and organizations to help make a difference in the lives of others."

**TARA BALL**  
Senior Director | KS

“

The income from Thirty-One has impacted our family in huge ways. We were able to build our dream home and say YES to the little extras in life: pedicures, family adventures, date nights and more. Plus, it has given me the opportunity to take my husband on six all-inclusive vacations for FREE!"

**HEIDI HAGBERG**  
Director | MN

“

I always wanted to be a mom, and I have two boys because of Thirty-One. Our fertility treatments were expensive but, thanks to this 'bag gig,' I was able to completely pay for all of the medical treatments in order to grow our family. I never imagined Thirty-One would take me this far!"

**JENNY FINNIMORE** 🍁  
Senior Director | AB
